The cost of the buildings has not been given. It is said that the monthly expenditure will amount to not less than Rs 435. The Senior Surgeon recommends a grant of 25 p.c. of the cost of the buildings and 25 p.c. of the cost of maintaining the institutions. It seems necessary to fix some maximum limit. Such institutions are badly required especially in the Malnad where the population has been going down.

Sir,

In forwarding the accompanying copy of letter dated, 12th May 1911, from Rev.Mr. A.E.NIGHTINGALE of the Wesleyan Mission, Shimoga, anent the Opening of a Maternity and a Dispensary at Mandagadde, I have the honor to state that this seems an excellent Opportunity of getting a much needed Institution very cheap - I think 25% of the cost of building, and 25% of the up-keep as grant-in-aid, would satisfy Mr.Nightingale.

I have the honor to be,

Sir,

SUBJECTS.

Forwarding Copy of letter dated 12.5.11 from Rev Mrs. A. E. Nightingale of the Wesleyan Mission, Shimoga, anent opening of a Maternity & Dispensary at Mandagadde.

Letter dated, 12th May 1911 from Rev.Mr. A.E.Nightingale of the Weslevan Mission , Shimoga, to the Senior Surgeon, Mysore Government, Bangalore.

In reply to your communication No.4357, dated, 20th March 1911, I have the honor to state that since writing to you on the 17th of December last, I have had an opportunity of visiting Mandagadde and I am led to the strong conviction that not only a Maternity but also a Dispensary is urgently needed in that locality.

I therefore have the honor to ask you for permission to build a Dispensary, with a well, Doctor's quarters, quarters for three Midwives with two additional rooms for the accomodation of the Lady Nurse in charge of the Maternity and a compound wall to enclose the premises. You are acquainted with the expense that would be connected with the buildings and I therefore ask if you will be good enough to allow half the cost on the scale sanctioned by Government in such cases as a Grant-in-aid.

In your letter of the date referred to above you make no mention of my application for a Grant-in-aid towards upkeep. The monthly expenditure will not be less than 435/- Rupees and I ask you to allow a Grant of less than a third of that sum, viz., 130/- rupees in the following manner - 50/- rupees for the Maternity and 80/- rupees for the Dispensary.

I have only to repeat that we should make a special point of developing the Maternity work in connection with this undertaking.

Awaiting the favour of your early reply

Extract from letter dated 31-5-1911 from Mr. (Rev.) A.E. Nightingale, Shimoga, to the Senior Surgeon, Mysore Govt.

-----cOc-----

With reference to my letter of the 12th instant, I have the honor to inform you that at a meeting of the Local District Board held in Shimoga on Monday last, it was decided that no grant could be made from their funds for the proposed Dispensary concerning which I wrote in the letter referred to above and therefore I beg to withdraw my application for the grant in respect of building and up-keep I made in the aforesaid communication. The District Board further decided to commence as soon as possible a Dispensary at Mandagadde.
